## Laughter

*The room tinkled with laughter as we watched Sylvia Rudolph, then Judy Lieber give demos on their particular style of doing a caricature. Then, there was even more laughter as we all tried our hand at using each other as models and making our own. Here are a few examples.*

## President's Corner

By Charlie Breems

**Bonnie Crouch and Jack O'Leary.** See their article in this issue about membership.

If you haven't seen our new website, I hope you will visit it soon. **Emmy White** has done a terrific job of creating this new site. [Send her images for our Gallery!](#) All of the winners from our fall show are found there as well as highlights from several newsletters. A big thanks to **John Williams and Marjorie Moody** for making the fall exhibit such a success!

There is a very special quality about **MAA**. We refer to ourselves as an organization, but really, we are a community of artists. It is the people who are members who make us who we are. This month, I want to highlight a few members who work very hard for all of us and who keep us fine tuned. We have two newer board members who have worked toward keeping track of membership and have created a Membership Roster so that we can keep in touch with each other better. Thanks very much to

**One position we still need to fill is for Vice President.** Our current board members are all working to make this the best art community it can be! Won't one of you step forward to become our VP? I can assure you that we are a fun group to work with and giving of yourself to help us keep our group running smoothly can be fun for you!!

### Editor's Notes

On the left is a caricature of me by **Sylvia Rudolph** on the right one by **Emmy White**. I love them both!

I want to thank all of the members who have provided their e-mails for the newsletter. We now have 47! This is over one half of our membership!

**MEMBERSHIP  
MYSTERY**

*By Bonnie Crouch & Jack O'Leary*

If you think you've been asked a few too many times whether you are a member of this organization and think it's a little peculiar that no one knows if you are, please keep in mind the theme of this newsletter: **IT'S ALL ABOUT HAVING FUN!!**

Keeping track of things is tedious, especially when there are many other things you must do. So the "powers that be" have decided that for this year we are going to operate on the honor system. If you see yourself as the very essence of honesty and integrity and you're confident you are current with your membership status, put your name on the membership card printed ABOVE and vow to pay your dues for next year in September 2010.

It's just too much trouble to figure out who isn't and who is a member. This is such a convivial, warm, good hearted group it is just FUN to be a part of it.

See the Membership Form on Page 4 if you still need to sign up.
